

Manually delete your subscription

Your subscription was cancelled and is not incurring charges. If not manually deleted, your data will be automatically deleted. To manually delete your subscription and data, complete the following two steps.

Delete resources

After deleting or moving resources, please allow 10 minutes for these changes to be updated in the portal.

Complete

[Learn more about delete resources](#)

Manual deletion date

To minimize business impact, there is a 3-day waiting period for deletion.

You can manually delete this subscription in 3 days
